

White Ocean Foam

Porcelain & Tile Cleaner

Fast-acting, foaming acid cleaner removes soap residue, limescale, and other hard water deposits from porcelain, chrome and tile. Thickened foam clings to fixtures and vertical surfaces for improved cleaning action. For use in showers, restrooms, bowls, urinals, sinks and drinking fountains. Deodorizes as it cleans. Use on metal, fiberglass, grout, glass, ceramic, porcelain and on A/C fins.

DIRECTIONS

Read the entire label and SDS for proper use, handling and storage before using this product.

Use in well-ventilated areas on acid-safe surfaces. Do not mix with ammonia or bleach. Wear appropriate PPE. Test surface for compatibility prior to using.

Recommended dilution ratios of product to water are as follows:

Light soil: 1 part product with 10-20 parts of water.

Heavy soil: Use full strength or dilute product with up to 5 parts of water.

1. Liberally apply to surface with trigger sprayer, foam gun or sponge
2. Allow contact time to loosen soils, then scrub with synthetic pad
3. Rinse with clean water
4. Repeat if necessary

FAST FACTS

- High foaming, clings to vertical surfaces
- Dissolves soap scum, hard water scale and deposits
- Brightens fixtures, cleans grout
