

BIG D® introduces two new fragrances for metered aerosol dispensers that you are sure to FALL for! Fill your facilities with the warm and welcoming scents of autumn.

FALLING LEAVES captures the essence of crisp autumn apple, lustrous greens, and smooth woodland elements infused with balsamic evergreen, ambered leaves, juicy berry, and cinnamon-spiced vanilla.

PUMPKIN SPICE embodies the aroma of delicious baked pumpkin floating above warm ginger and cinnamon highlights infused with delectable hints of creamy vanilla and sweet brown sugar.

CONCENTRATED ROOM DEODORANT for Metered Aerosol Dispensers is a true BIG D® odor counteractant specially formulated for industrial and institutional needs. It contains our special deodorizers that neutralize odors rather than mask them. The uniform actuator valve enables the aerosol canister to be used in BIG D® **METERED AEROSOL DISPENSERS**. Each 7 oz. can contains approximately 3,400 sprays and effectively deodorizes a 6,000 cu. ft. area.

AUTUMN COLLECTION 4 PACK
