HYDROXI PRO® GROUT SMART™

Restores & brightens tile & grout, brick, & natural stone to its original color. Reduces contaminates with the power of hydrogen peroxide. Once the hard surfaces have been renovated, Grout Smart™ may be diluted to a light solution for daily cleaning. Establishing a maintenance program maximizes chemical use & reduces time in each work station, saving you money.

Can be used on virtually any hard surfaces, including all types of tile, grout, tumbled marble, travertine, stained concrete, brick & more!

- Non-toxic
- No residue
- No rinsing
- No grout/tile etching
- Restores
- Brightens
- Reduces contaminates
- Removes soap build-up
