

EXPRESS WIPES HAND SANITIZER

DESCRIPTION

EXPRESS WIPES HAND SANITIZER wipes are premoistened disposable wipes formulated to kill 99.9% of bacteria while cleaning skin. Perfect in areas where water and soap are not available. Emollients leave skin soft and moisturized. Non-abrasive fabric is gentle on skin. No mess, no fuss.

APPLICATIONS

Areas of use include medical offices, schools, child care centers, hotels, dental offices, nursing homes, restaurants, correctional facilities, and areas where crowds gather such as county fairs and sports arenas.

FEATURES & BENEFITS

- Convenient one-wipe-at-a-time dispensing system reduces waste.
- Dries quickly
- Enriched formula leaves hands clean, soft and smooth.

LABEL INFORMATION

EXPRESS WIPES HAND SANITIZER

- Formulated with an emollient to help moisturize skin.
- Towels are made from a non-abrasive fabric that is gentle to skin.
- This effective formula cleans hands while killing bacteria.
- Unlike runny sanitizing gels, wipes do not cause a mess.

DIRECTIONS FOR DISPENSING:

1. Remove lid by lifting upward.
2. Pull towel from center of the roll and thread through "X" on the underside of the lid.
3. Close lid. Pull towel at a 90° angle.
4. Snap hinged cap back into place to ensure towels stay moist.

DISPOSAL:

Offer empty container for recycling. If recycling is not available, discard container in trash.
 Discard towel in trash after use. Do not flush.
